

Soundcore

Soundcore is full time creative education, music industry training, a fertile environment for young musicians and industry enthusiasts. It's Centrelink approved and successful participants receive an AUSMUSIC nationally accredited Certificate 2:Foundation in Music Industry.

CREATE:MUSIC:INDUSTRY

For 3 days a week over 12 weeks, join a crew of like minded people to create original music and run live music events.

Get hands on by running "Stage Against the Machine", a fortnightly live music event held at REYC. **Write your own songs**, learn how to make your own demo recordings, perform to a live audience and record at a professional studio. Learn how to **set up a P.A**, lighting system, **run a mixing console** and get your First Aid Certificate!

What?: Information Day Wed. Feb. 14th 12pm
