

SHAPING INDIVIDUAL FUTURES IN TRANSPORT

## Helping all people seeking employment to develop skills for the Automotive, Transport and Warehousing Industry.

A **FREE** training and support program being delivered in the Adelaide Hills, Murraylands, Fleurieu and Onkaparinga regions, that is tailored to assist participants in obtaining the required skills to gain employment in the Automotive industry.

Participants will receive a Statement of Attainment towards units in Automotive, Transport and/or Warehousing Certificates (Nationally Recognised Training)

**FIRST GROUP STARTING FROM JUNE 2007**

Each group will have a maximum of 15 participants. Registrations of interest should be forwarded ASAP to give yourself or your clients the best opportunity of participation.

"This Program is an initiative of the Government of South Australia, and is a South Australia Works in the Regions project delivered in partnership with Murraylands Regional Development Board Inc, Adelaide Hills Regional Development Board Inc, Fleurieu Regional Development Board Inc and the City of Onkaparinga". Training delivered in partnership with VTECH Automotive Services.

**SouthAustraliaWorks**  
linking people, skills and jobs
