what *are*
Men and Family
Relationship services?

Our men's services have been developed by talking to men about what they need.

Our men's services provide male-friendly courses and groups, man-to-man practical advice, support and information that makes sense to men.

what we *do*

Men and Family Relationship Services work with you on:

- Dealing with grief and anger
- Practical parenting skills
- Being an involved dad after separation
- Feeling good about yourself
- Linking you into men's groups, and other help
- Stopping family and domestic violence and the problems they cause
- Parenting from a distance support
- Creating services to meet your needs

is there a *cost?*

Men and Family Relationship services will incur a minimal fee.

Health Care Card Holders can request a lower payment on presentation of card.

Family and Relationship Education and Skill Development programs are fee based depending on the nature of the program, please call for a more specific quote.
