PAT

Pre Apprenticeship/Traineeship Program

Providing a pathway to an Australian Apprenticeship in Automotive

Employ SA in partnership with The Department of Further Education, Employment, Science and Training (DFEEST) are offering a **FREE** training and employment support program in the Adelaide Hills region.

The program is tailored to assist participants to obtain the required skills to achieve an apprenticeship or traineeship in the Automotive, industry.

Participants will receive a Statement of Attainment in units towards a Certificate II and III in Automotive.

"This Program is an initiative of the Government of South Australia - Department of Further Education, Employment, Science and Technology."
Accredited Training is delivered in partnership with VTECH Automotive Services.

Government of South Australia
Department of Further Education,
Employment, Science and Technology
